

## **SHIPPING DANGEROUS GOODS: TRAINING/CERTIFICATION UPDATE**

(Updated 01/08/08)

**In-House Dangerous Goods Shipping Training Program:** As a service to the VCU research community, the Office of Environmental Health & Safety (OEHS) offers dangerous goods training/certification which focuses on shipment of infectious substances, dry ice, and hazardous chemicals through quarterly platform presentations and a distance learning station.

1. Platform Training Presentations:

- a. March 5, 2008: West Hospital, George Ben Johnson Auditorium
- b. June 4, 2008: Sanger Hall, Room 8-036
- c. September 3, 2008: Sanger Hall, Room 8-036\*
- d. December 2, 2008: Sanger Hall, Room 8-036\*

\* Classroom location may be subject to change. Please contact OEHS at 828-1392 in advance to confirm the location of the training session.

\*\* All training sessions are held from 9:00 – 11:50 a.m.

2. Distance Learning Station: Individual training/certification (in CD ROM format) via the dangerous goods distance learning station (located in Sanger Hall, level B2) can be arranged by contacting OEHS at 828-6347.

3. Questions concerning dangerous goods concerns should be directed via e-mail to Paul Smith at [pasmith@vcu.edu](mailto:pasmith@vcu.edu) or Mike Elliot at [mtelliot@vcu.edu](mailto:mtelliot@vcu.edu).
